Version 1.0

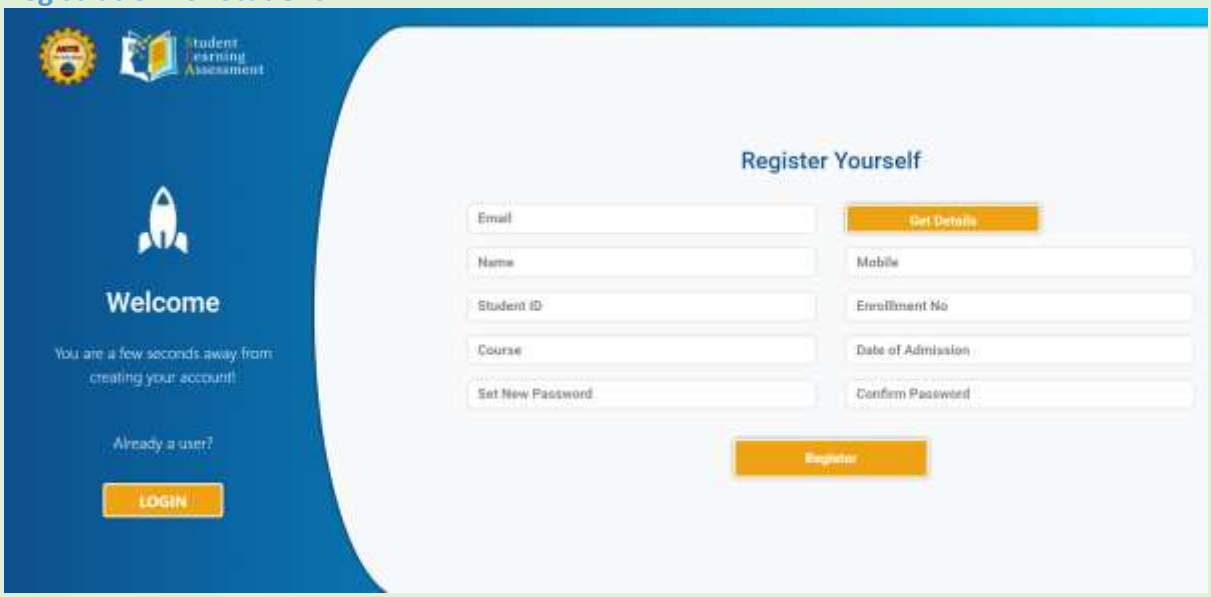
AICTE Student Learning Assesment Project

User Manual for Students

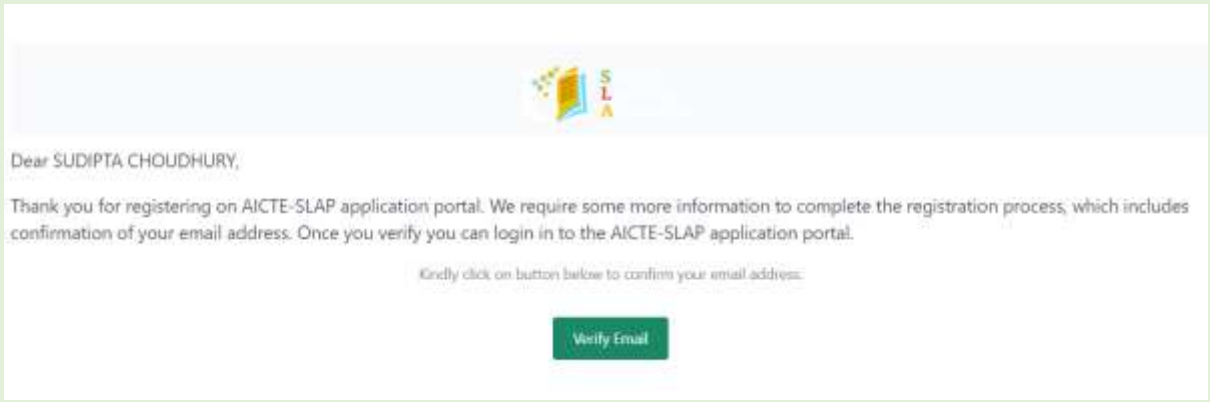
Registration- Student can be register by itself but they need to be verified by the Institute or the faculty member for the self- Assessment.

- AICTE and Non AICTE Approved Institute Students Can Register
- Can give Assessment taken by Institute/Faculty/ Head of the Department
- Can take Self- Assessment
- See the Assessment Dashboard for Self
- Report Generation

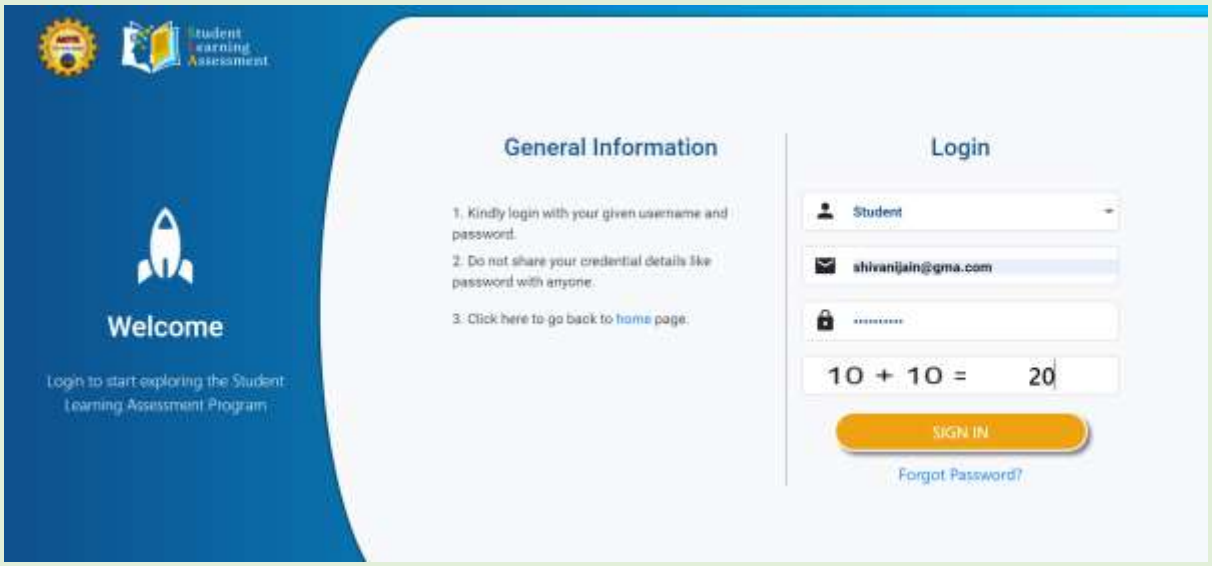
Registration for Student

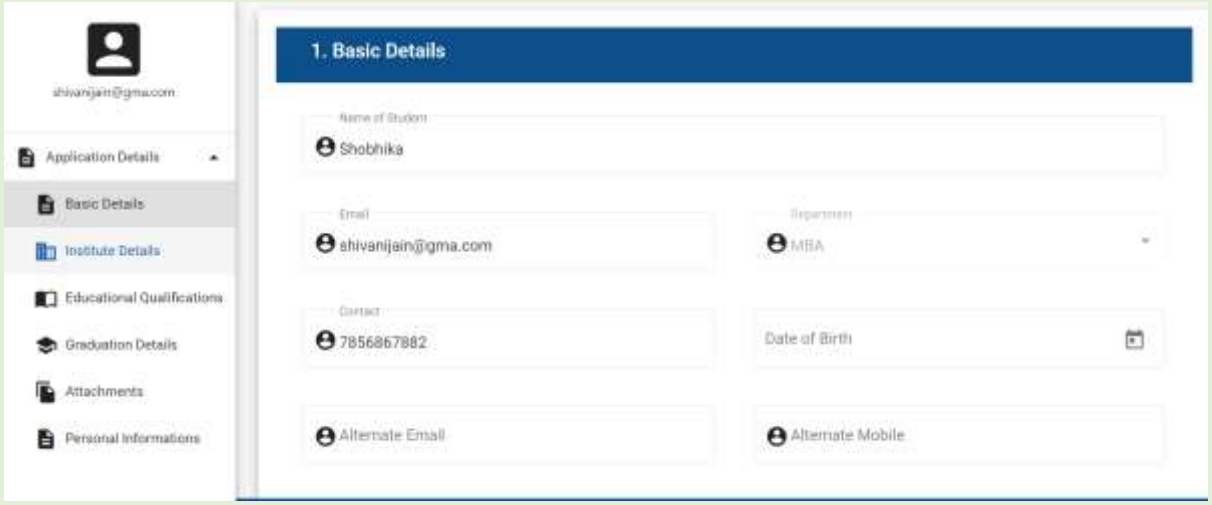


Verifying the email for the registration

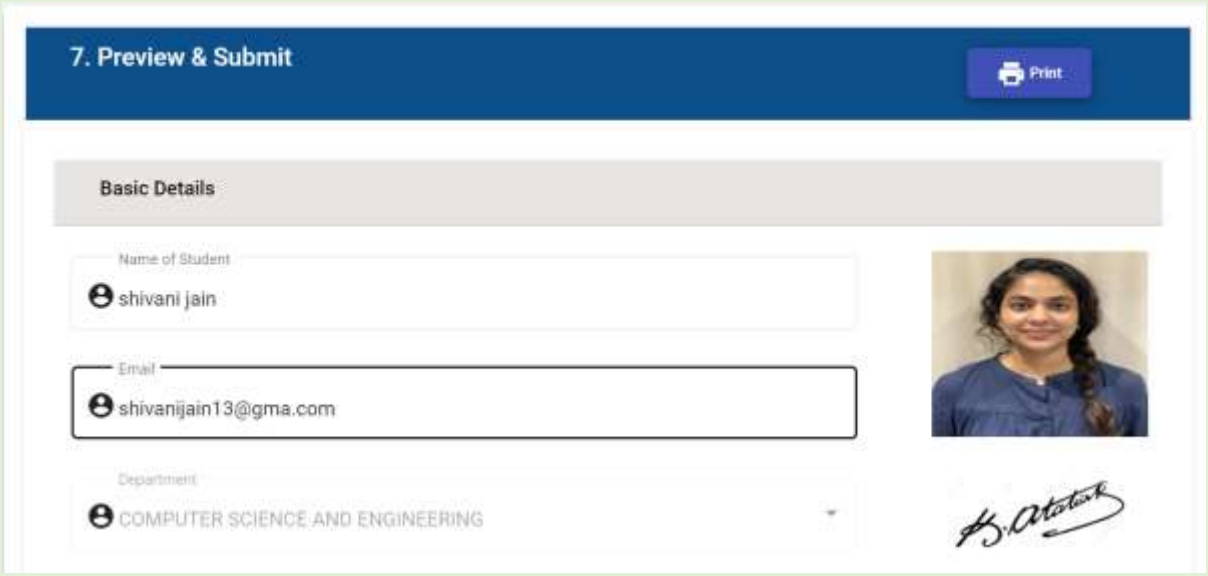


Login as student





Fill up the basic details of the students and submit the information.
Document Required –Basic Details
Photograph
Signature specimen
College-ID



Assessment assigned by the Institute

Dear Student,

AICTE Student Learning Project Assessment has been Assigned to you by the Institute Saroj Institute of Technology.

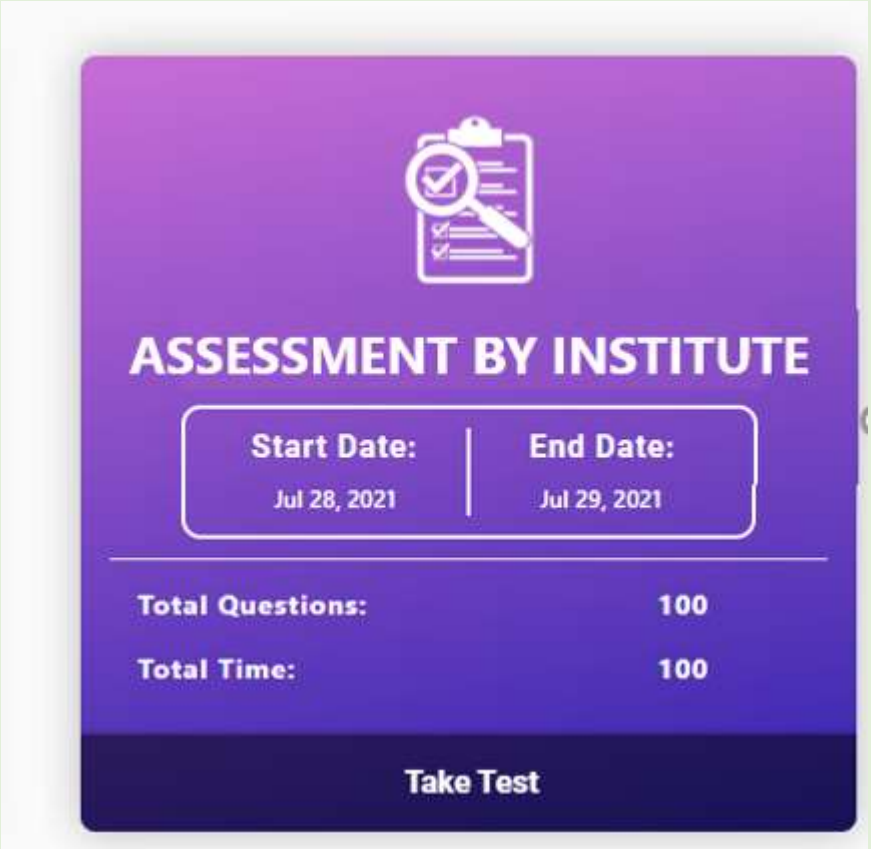
Kindly Complete the Assessment Between 28-07-2021 to 29-07-2021.

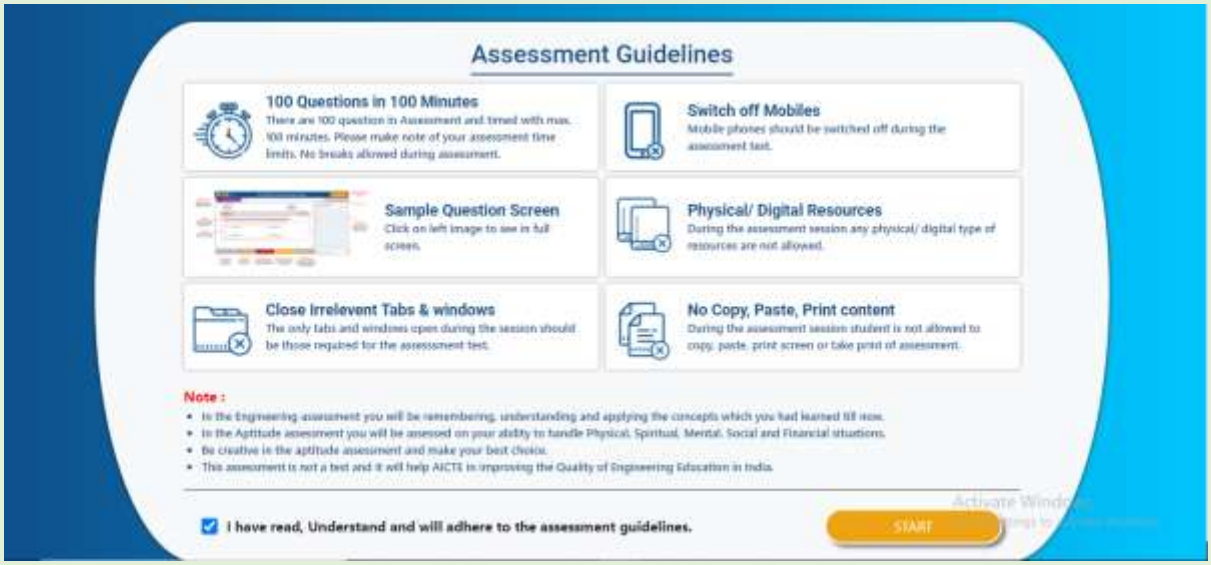
Click Here to Login and complete the Assessment

***

Thanks and regards
AICTE-SLAP Team,
Institutional Development Cell,
All India Council for Technical Education
Nelson Mandela Marg, Vasant Kunj,
New Delhi -110070

In the student login “Assessment” tab





Assessment Guidelines
100 Questions in 100 Minutes
There are 100 question in Assessment and timed with max. 100 minutes. Please make note of your assessment time limits. No breaks allowed during assessment.
Switch off Mobiles
Mobile phones should be switched off during the assessment test.
Sample Question Screen
Click on left image to see in full screen.
Physical/ Digital Resources
During the assessment session any physical/ digital type of resources are not allowed.
Close Irrelevent Tabs & windows
The only tabs and windows open during the session should be those required for the assessment test.
No Copy, Paste, Print content
During the assessment session student is not allowed to copy, paste, print screen or take print of assessment.
Note :
In the Engineering assessment you will be remembering, understanding and applying the concepts which you had learned till now.
In the Aptitude assessment you will be assessed on your ability to handle Physical, Spiritual, Mental, Social and Financial situations.
Be creative in the aptitude assessment and make your best choice.
This assessment is not a test and it will help AICTE in improving the Quality of Engineering Education in India.
I have read, Understand and will adhere to the assessment guidelines.

Rate the Question :
Question 1 :
Topic : Water Treatment And Distribution
The total hardness value obtained from water analysis is found to be 116 mg/l. The analysis of a water sample further shows that the concentration of all the three principle cations causing hardness is numerically the same. If the Carbonate Hardness is 58 mg/l, the value of non carbonate hardness is --- mg/l
58 (Correct Option)
116
